MORALE OF CREWS:

Attitudes are good, with the two BIA Crews; I have not visited with the crews on the Tee Pee Incident. I will be traveling to Meadow, ID on Monday and plan on spending a few days with the crews on the Tee Pee Springs. I will have a better report of those three crews on my next report.

INJURIES:

No injuries reported.

MESSAGES:

All crews are on an incident. I have tied in with Beth LeMasters, the IARR (t), we attended the morning briefing on the Soda Incident. I will be traveling to the Tee Pee Springs Incident on Monday 08/17/2015, and plan to stay there for few days. Because of the distant between the two incidents, Beth will stay in Homedale, on the Soda Incident, there is about a 4.5 hour drive between the Soda and Tee Pee Springs, so this is the best way to make sure someone is in place for the crews.
